

CHILDREN'S PLAY HOUSE AUDITIONS FOR GUADALUPE!

AUDITIONS WILL TAKE PLACE THURSDAY, SEPTEMBER 16TH!

ALL AUDITIONS WILL BEGIN AT 3:00 IN THE MULTI-PURPOSE ROOM.

ONCE YOUR CHILD HAS AUDITIONED THEY ARE FREE TO LEAVE.

Auditions are low-key and unprepared. The participants do not audition for a specific part. Because everyone who registers receives a part we hold a general audition and place them in parts which best fit their personality.

For their auditions we will have the participants sing a simple song, typically "Twinkle, Twinkle, Little Star". If they do not know the words to this song we will go over the words before we have them sing. They will be called up in groups of 5-10 children per group. The director will sing the song together with them one time, have them sing it on their own as a group one time and then go down the line and have them sing it individually. We will do the same thing with any auditions lines we want them to say and again if we want to see any movements.

The most important thing you can do for your child to prepare them for auditions is **DON'T PREPARE THEM!** We don't want them to worry about how well they do in auditions, we want to see their personality. Over preparing them may lead to stress and worry on their part. Everyone who auditions will get a part; even if they refuse to audition we will still find a part for them.
