

# **CHILDREN'S PLAY HOUSE AUDITIONS FOR FROST ELEMENTARY/INDIGO PROGRAM!**

AUDITIONS WILL TAKE PLACE MONDAY, JANUARY 23!

ALL AUDITIONS WILL TAKE PLACE BEGINNING AS PARTICIPANTS ARRIVE AS EACH GRADE LETS OUT AND LASTS UNTIL ALL CHILDREN ARE AUDITIONED.  
**AUDITIONS WILL TAKE PLACE IN THE CAFETERIA/MULTI USE ROOM.**

PLEASE NOTE: WE WILL NOT BE KEEPING KIDS FOR CALL BACKS. ONCE THEY AUDITION THEY ARE FREE TO LEAVE. IT IS RECOMMENDED THAT YOU REMAIN WITH YOUR CHILD UNTIL THEY ARE THROUGH AUDITIONING OR IF YOU ARE NOT ACCOMPANYING THEM TO AUDITIONS THAT YOU ARE AT THE CAFETERIA NO LATER THAN ½ HOUR AFTER THEIR RELEASE TIME. PLEASE LET YOUR CHILD KNOW WHAT YOU PLAN ON DOING SO THEY DO NOT OVERWHELM THE OFFICE WITH REQUESTS TO CALL HOME.

IF YOUR CHILD IS TO WALK HOME ALONE, PLEASE SEND THEM WITH A NOTE AND INSTRUCTIONS TO GIVE THAT NOTE TO US.

Auditions are low-key and unprepared. The participants do not audition for a specific part. Because everyone who registers receives a part we hold a general audition and place them in parts which best fit their personality.

For their auditions we will have the participants sing a simple song, typically "Twinkle, Twinkle, Little Star". If they do not know the words to this song we will go over the words before we have them sing. They will be called up in groups of 8-15 children per group. The director will sing the song together with them one time; have them sing it on their own as a group one time and then go down the line and have them sing it individually. We will do the same thing with any auditions lines we want them to say.

The most important thing you can do for your child to prepare them for auditions is **DON'T PREPARE THEM!** We don't want them to worry about how well they do in auditions, we want to see their personality. Over preparing them may lead to stress and worry on their part. Everyone who auditions will get a part; even if they refuse to audition we will still find a part for them.

## Children's Play House of San Jose welcomes you to our production of Wizard of Oz at Frost Elementary/Indigo Program!

We are hoping to make auditions go as smoothly as possible. To help us with that, please fill out the director's card below and have your child bring it with them to audition day.

Please fill out the card completely including any information you may have filled out on the registration form. Include your child's clothing size and measurements in the appropriate space which will help us with costume fitting.

In the area marked "previous play" please fill in any dramatic or dance experience your child has had in the past, if any. In the director area simply write the group they performed with (School Plays, CMT, dance troupe, etc.). If they have more experience than fits on the card, include the experience that is most pertinent to this workshop.

**In the picture area please tape, staple or glue a picture of your child. School wallet-size photos are perfect! This will help us place face to name when we are casting. This is especially important for the more experienced students that will be going for larger speaking parts. If the picture is larger than the area simply staple it over the top of the form.**

The spaces marked show, role, V, C, M & CB are for office use and should not be filled in.

There is no need to cut out the card. Send this whole page with your child.
